1. **Who can know what I'm about to do** with the surrendered; the surrendered who love Me; the surrendered that I pull forth with the love of My hand; pouring forth My love, My words, yea **announcing to the world and farther what I am doing with the surrendered** day after day.

2. Day after day I come and I call and I proclaim My words, and share My love, and give My words to those who want Me. And now watch what I do with the surrendered, the surrendered many, not few.

3. Watch Me cohesive yea My body who know Me/one; watch what I do in the ultra-surrendered. **Watch what I do with the Me that now become Me, known to all as Me: I Am.**

4. I am one and My Father is one. Your Father is one, you are one; you are one in My Father in Me in you. See what I have said and enjoy. Enjoy what I am doing with you now, My surrendered.

5. I love you and I give you Me; on the way to coffee I bring you Me; I bring forth, I let forth, yea I construct, do I not?

6. I am and I bring forth all things to reside in Me. *And yea the Kingdom of God is one; outside/inside/through and through and permeating all;* there is no darkness, there is no shadow. My light is pure and true and tainted not, and you are coming into seeing me; A beam of light/*being light; manifold rays of life.*

7. See what I have said. Edit not, edit not, edit not; as those who come soon want to place their mind on My words; let them not touch them.

8. I am Me and I am light and life. I am meek and lowly and I am holy and I am one; and I bring forth the Father in My surrendered like you have yet to see/no one has seen; *and all will be Me in the holiness of one,* for one are; and understanding one, royalty are/walk in their privilege, in the yea ultimate surrender of ultimate surrender; being ultimate surrender; surrender to all in the most beautiful palpitations/beauty of yea our Father's heart; mind, body, spirit; one? More/less, or one? All one. Thank you.
Good day
